A visit from Sleaford Library

Today, instead of our usual assembly, we were visited by Sleaford Library. Starting tomorrow, they are launching their **summer reading competition**. Become a member at the library (for free!) and then read 6 books over summer to collect 6 stickers. Prizes to be won! Reading over summer is really important to ensure reading fluency is maintained over the break. Why not pop in to the Library and get your child involved!

Class Updates

Robins – We have been so busy in Robins class this week. We have taken our learning outside as much as possible to enjoy the beautiful weather. In maths, we have been learning about capacity. The children have enjoyed demonstrating 'full', 'half full' and 'empty' in the sand and water tray. We then went one step further and created volcanoes to show that our containers were overflowing! Preparations for our end of year class assembly are now in full swing! We can't wait to show off our performance on 14th July! Quick reminder to our Pre-School families, about our graduation on Monday 20th July (see Tapestry for details.) One final reminder about our exciting visit from Animals UK on 16th July. If this is not your usual day to attend, please comment on Tapestry or let us know on the playground. Information regarding paying can be found on Parent Pay

Goldfinches – The children have worked exceptionally hard in this heat. Thank you for sending in your children with water bottles, sunscreen and hats. Why not ask your children about our exciting experiments using biscuits? As a reminder the Y1/2 assembly is on Monday 13th July.

Kingfishers – Preparations have begun ready for the Kingfishers end of year assembly, and we are very excited! This is on top of working unbelievably hard during writing, exploring the habitats of water voles. I have seen some amazing facts and vocabulary! I am excited to share that we will be having a special guest coming to school from Sleaford museum to talk about the river Lea. The children have really enjoyed learning about rivers around the world – why not quiz them!

Golden Eagles – Year 5 have been working ever so hard on their end of year assembly, even without their classmates! Year 6 have had the best time at Hilltop and no doubt they will have lots of stories to tell you!

Move up day success!

Move up day can always cause a little bit of anxiousness amongst children - who will be their teacher, which classroom will they be in?!

This is perfectly normal, and staff are fully prepared to help the children throughout the transition. Being a small school, the children get to know all the staff well regardless of who teaches them.

But we are pleased to say that the children were all buzzing after their move up morning and we have no doubt they will continue to thrive and grow. Well done KLT!

Key timings

Breakfast Club: 7:50am

School gate opens: 8:30am

Registration opens 8:45am

End of school day: 3:15pm

After school Club: 4:45pm or 6:00pm

EYFS - Thursday & Friday

Year ½ - Wednesday and Thursday

Year 3/4 - Monday & Wednesday

Year 5/6 - Monday & Friday

e-safety

Screens are now part of everyday family life, but for very young children, clear and predictable boundaries can help screen time feel calm rather than constant.

Our latest **#WakeUpWednesday** guide shares practical advice for families, nurseries and early years settings on supporting healthier digital habits for under-fives.

The guide covers:

- Choosing age-appropriate content
- Protecting bedtime routines
- Keeping devices in shared spaces
- Co-viewing and talking about what children see
- Using simple scripts and transition warnings
- Modelling balanced device use as adults

With supportive tips and realistic routines, this guide helps adults manage screen time with greater confidence.
